PHARMA LIBYA 2024 CONFERENCE

In the grand sequel of PHARMA LIBYA EXPO & CONFERENCE 2023, we invite you to join the spectacular showcase of cutting-edge advancements in Healthcare Sector.

PHARMA LIBYA CONFERENCE 2024 serves a convergence point for the global and local healthcare pioneers, establishing a dynamic platform that harmonizes innovation, medication, and celebration. paving the opportunity to explore the latest advancements, attend insightful sessions, engage in informative lectures, and discover groundbreaking research papers.

Vision

To position Libya as a global hub connecting regional and international medical pharmaceutical industries, fostering development collaborations, and establishing enduring commercial relationships.

Mission

Our mission is to provide an advanced scientific platform where top doctors and specialized professors from around the world come together, this platform aims to transcend geographical boundaries and offer direct opportunities for professionals in the field. Also, it gives the opportunity to facilitate direct access to an elite group of senior investors and executives in the medical and pharmaceutical industry, and other influential figures. We facilitate interactions to establish new relationships, explore new suppliers, or initiate new fruitful projects.

Key Elements:

PHARMA LIBYA CONFERENCE ® 2024. “2nd Edition “

Our objective in the second edition is to catalyze discussions that drive medical innovation. Join us in fostering dialogues that inspire groundbreaking advancements, shaping the future landscape of advanced healthcare solutions.

MedExcellence Award ® 2024. “1st Edition “

"MedExcellence Award ® 2024. In its inaugural edition, we shine a spotlight on exceptional achievements in healthcare, advocating for innovation and reshaping the panorama of medical excellence. Join us in celebrating remarkable accomplishments in the realm of healthcare and driving innovation. Together, let's reshape the landscape of medical brilliance."
